Payment for your participation in the contest.

Before making the payment, you will need to make sure that each member of the club, collective or association has completed their registration and that their selection of photos is complete and will not change.

Only then will you be able to proceed to payment..

IPlease note that the group discount is automatically applied as soon as you increase the number of participants to 6.

The FPF discount is also granted automatically after verification of the membership number.

Similarly, you can mix FPF members and non-members, and the calculation will take this into account..

In the end :

- **The sales representative pays for all registrations**
- **Each member pays the amount of their registration individually**
- **Some members pay individually and the group creator pays the remainder**
